What is the Atkins Hospitality Club?

The hospitality club is a way for faculty to fellowship through lunches and various events. This club is strictly voluntary, you have no obligation to join. The monies generated will be utilized for faculty and staff "warm fuzzies" and one of the largest events the annual Christmas Party. **

With so many life events it can become costly offering support to our co-workers. By joining the hospitality club, you will pay a fee and have your mind put to ease that when your colleagues need you, you are able to give your support.
