Aligns with the Ohio Department of Education & Workforce's 4 Priorities

- Literacy
- Learning Acceleration
- Student Wellness
- Workforce Readiness

Cathleen Beachboard, author of The School of Hope is coming to the ESC! Cathleen will facilitate a 3-hour workshop session designed to provide research-backed strategies that increase motivation, resilience, attendance, and achievement through the science of hope.

The session will include:

- Practical tools for fostering resilience and hope in schools.
- Make-it-take-it resources for immediate implementation.
- Interactive activities to engage participants and enhance learning.

In addition to the in-person workshop, participants will receive the following ongoing supports:

- Access to the School of Hope Facebook group for ongoing support and resources.
- A digital packet of the tools and resources shared during the workshop.
- Email support for up to 30 days after the event to provide further guidance on implementing the strategies.

Registration Details:

- Early registration is available exclusively to our member districts subscribed to consultant services (Maumee, Perrysburg, Rossford, Springfield, Sylvania, and Washington Local) at a cost of \$150 per registrant. Register by October 21, 2024.
- Early registration is available to our member districts NOT subscribed to consultant services (Anthony Wayne, Oregon City, Ottawa Hills) at a cost of \$175 per registrant. Register by October 21, 2024.
- Registrations after October 21, 2024 will be \$200 per participant.
