**(BOYS EXCELLING, SUCCEEDING, AND TRANSFORMING)**

Dear Parents(s),

CONGRATULATIONS! Your son has been selected to be a member of our campus B.E.S.T. Fraternity (Boys Excelling, Succeeding, and Transforming). This organization's sole intent is to develop our young males into great leaders who make great choices.

This letter serves several purposes:

1. There are special requirements of the members of B.E.S.T. Fraternity. They must have a "LEADER in ME" uniform that they will wear for all meeting days and special events. (White dress shirt, black pants, red necktie or bowtie)
2. There will be off campus field trip experiences that will be offered to the scholars. Sometimes there will be a very minimal fee to assist with off campus activities.
3. There are times when the scholars will have to stay after school to practice. You will be notified a week in advance when that happens.
4. There is a \$5 Member Fee. (Due by November 18th.)

This initiative will provide our scholars with so many memorable experiences and opportunities that they will cherish for a lifetime. Parents, we definitely need you as invested partners to ensure this initiative has a major and positive IMPACT in our school communities.
